PAPERSKATER TIP SHEET #3

TEMP AGENCY CHEAT CODE

10 seconds. 3 things. Here's what they scan for.

Temp agencies don't read your résumé like an employer does. They **scan** it — in about ten seconds — for three things:

1 CAN YOU SHOW UP?

Steady work history — even short stints — beats gaps with no explanation. They need boots on the floor. **The greatest ability is dependability.**

2 DO YOU HAVE THE TICKET?

Forklift cert, food handler's card, OSHA 10 — put certifications **near the top**, not buried at the bottom like a secret. Got the golden ticket? Wave it.

3 CAN YOU START MONDAY?

Put **"available immediately"** right under your name if it's true. Don't make them guess.

FREEBIE

Set up your voicemail. If they can't reach you on the first try, they call the next name.
